## The Four Vedas

## Sama Veda

> "Veda of Melodies" most of them taken from Rig Veda and arranged according to their use in particular rituals.

## The Four Vedas

## Atharva Veda

- > "Veda of Chants" consists of prayers, spells and incantations similar to tantras.
- On wisdom, description of the soul and god, however majority of it consists of rules for worshipping the planets, oblations, sacrifices, prayers for everting evil and diseases etc., mostly of the material needs of mankind.
